[linkedin.com/in/jaytin](https://linkedin.com/in/jaytin) 

Self-driven developer who loves to develop great user-centered websites and web applications. Deep passion and drive for technology, always looking for ways to improve tech skills and soft skills. A front-end developer with the focus is on creating beautiful interfaces that are easy to use and understand. Looking for a position in front end development or full stack.

## EDUCATION

### Front-end Developer Career Path

Zero to Mastery

05/2022 - 12/2022

### Computer Science

FPT University

05/2018 - 12/2021

## WORK EXPERIENCE

### Frontend Developer Internship

Frontend Simplified

05/2022 - Present

#### Achievements/Tasks

- Transformed a completely static HTML, CSS, JavaScript and React single page application into an interactive user interface using animations, transitions and carousels.
- Processed API requests with Axios to dynamically represent data from a cloud server and represented it through skeleton loading states, pagination and dynamic routing.
- Utilized Git version control and the GitHub interface to work and thrive in a virtual and collaborative team environment.

### Freelance Frontend Developer

Self Employed

05/2022 - Present

#### Achievements/Tasks

- Delivered 5 professional websites using HTML5, CSS3 (+ SCSS, BEM), JavaScript and React best practises.
- Improved website performance by compressing, caching and lazy loading images and components.
- Included SEO, responsive, multi-platform and hosting support, enabling their website to be used by any browser or device in the world.

### WordPress Web Designer

SB Media Agency

08/2021 - 03/2022

#### Achievements/Tasks

- Utilized platforms like WordPress or WebFlow to complete client's projects on time and under budget.
- Built responsive websites for clients, implemented basic SEO which led to an increase in traffic by 15%.
